**FOR NOMINATING NATIONAL SKELETON PROGRAM (NSP) ATHLETES  
TO THE SPORT CANADA ATHLETE ASSISTANCE PROGRAM (AAP)  
FOR THE 2021-22 CARDING CYCLE**

*Published: Apr/30/2021*  
*Approved by Sport Canada: Mar/17/2021*

## **PREAMBLE**

The Athlete Assistance Program (AAP) is a federal government grant program that provides direct financial assistance to Canadian high-performance athletes and is one of three Sport Canada programs designed to assist in the development of high-performance sport.

The AAP contributes toward improved Canadian performances at major international sporting events such as the Olympic/Paralympic Games and World Championships.

The AAP recognizes the commitment that athletes make to the National Team training and competitive programs provided by their NSO and seeks to relieve some of the financial pressures associated with preparing for, and participating in international sport. The AAP financial assistance provides support to athletes in the form of a living and training allowance, plus tuition and supplementary AAP support. The living and training allowance is intended to offset some, but not all, of the living and training expenses athletes incur as a result of their involvement in high-performance sport, while tuition support is intended to help athletes obtain a post-secondary level education. The AAP is the only Sport Canada program that provides direct financial support to athletes.

Eligible Athletes who are approved for funding and are financially supported through the AAP are referred to as carded athletes. AAP support is also known as carding.

## **SPECIAL NOTE REGARDING COVID-19 PANDEMIC**

Bobsleigh Canada Skeleton (BCS) is carefully following the evolution of the coronavirus (COVID-19) and how it may impact the 2021-22 BCS NSP AAP Carding Criteria and corresponding nominations. With the approval of Sport Canada, BCS reserves the right to modify the published 2021-22 BCS NSP AAP Carding Criteria based on the best available information. Any modifications will be made promptly and will be communicated to all affected individuals as soon as possible.

## **1) OVERVIEW & INFORMATION**

### **a) Carding Types and Levels**

#### **Senior International Cards (SR1/SR2)**

Funding for athletes who achieve the Senior International Performance Standards (SIPS), as set out by Sport Canada, at World Championships (WCh) or the Olympic Winter Games (OWG). The following are the current SIPS:

- i) Finish in the top 8 (eight), counting a maximum of three entries per country; and
- ii) Finish in the top half of the field.

#### **Senior National Cards (SR)**

Funding for athletes who demonstrate potential to achieve the SIPS.

#### **Development Cards (D)**

Funding for younger athletes who demonstrate potential to achieve the SIPS but are not yet able to meet the Senior International Card or Senior National Card criteria.

## **b) Monthly Living and Training Allowance(s)**

Athletes nominated by the High Performance Director (HPD) and approved by Sport Canada will receive a monthly living and training allowance from Sport Canada according to carding status. This allowance is usually paid in advance every two months.

<b>Carding Status</b>	<b>Monthly Allowance</b>
Senior International Cards (SR1, SR2)	\$1,765
Senior National Cards (SR)	\$1,765
Development Cards (D)	\$1,060

## **c) Only Olympic Program Disciplines Considered**

Athletes in Olympic sports are eligible to be nominated for AAP support based on their participation and training for events that are on the program for the upcoming OWG. Athletes in Olympic sports competing in World Championship events that are not on the program for the upcoming OWG are not eligible for carding based strictly on performances in those events.

For the avoidance of doubt only results from disciplines on the Olympic program are eligible for consideration for nominations to the Sport Canada AAP.

## **d) Definition of "Competed"**

For the purposes of this NSP AAP Carding Criteria, athletes are deemed to have competed if they were registered, entered and intended to compete, but were unable to complete the competition because the athlete:

- i) was disqualified (DSQ) for any reason other than an Anti-Doping related infraction;
- ii) did not finish (DNF) because of a crash or other incident; or
- iii) did not start (DNS) for health, equipment or similarly related reasons.

For the avoidance of doubt, if the athlete DNS because the athlete refuses to compete other than for the reasons set out above or was removed by BCS from the competition because the athlete was not in good standing with BCS, for disciplinary reasons or for having breached BCS policies, then the athlete will not be deemed to have competed.

## **e) Process**

The HPD is responsible for nominating eligible athletes to the AAP. Sport Canada reviews all nominations put forward by the HPD and approves nominations in accordance with the [Sport Canada AAP Policies and Procedures](#) and this published and approved BCS NSP AAP Carding Criteria.

## 2) NSP AAP CARD QUOTA

The NSP AAP card quota is allocated by Sport Canada on the basis of a number of Senior International Cards. For the 2021-22 Carding Cycles the NSP is allocated a quota of **7 Senior International Cards**, equivalent to a maximum monetary value of **\$148,260**. Eligible athletes are nominated for Senior International, Senior National and/or Development Cards according to this BCS NSP AAP Carding Criteria up to the maximum monetary value of the NSP AAP card quota.

Sport Canada regularly reviews carding quota allocations for all sports; therefore the NSP AAP card quota allocation is subject to change from time to time. If the NSP AAP card quota allocation differs from that mentioned in this document, the HPD will inform the athletes as soon as possible.

## 3) CARDING ELIGIBILITY

### a) Athlete Eligibility

To be considered for nomination and to maintain eligibility for AAP carding, athletes must at all material times be current National Skeleton Program Athletes ("NSP Athletes"), specifically to be a NSP Athlete, athletes must:

Only those athletes who demonstrate year-to-year improvement, progression toward the SIPS and future potential will be considered by BCS for nomination for an additional carding cycle at either level. Additionally, Sport Canada will review this evidence and, in discussion with BCS, determine whether an additional year of support at the relevant card level is warranted.

Note: In order to ensure equality of opportunity to demonstrate improvement, progression and potential, consideration will be given to athletes who miss significant portions of a Season, WCh or OWG because of reasons encompassed in section **6**), whereby the 5 year maximum may be extended by up to one additional year at the sole discretion of BCS.
